Honors Student Association Elections

The Honors Student Association needs to elect a complete slate of officers. We will need a President, a Vice-President, a Secretary-Treasurer, a Transfer Representative, and a Freshman Representative. **This Means YOU!** This year will be a great time for these five students to shape developments in Honors—to make the Student Association and the Honors Program, as a whole, into the kind of program you really want. Please volunteer to run for an office, even if you are a freshman or Transfer student. Don't be shy! We need your commitment and assistance. Contact the Honor Office (395-2291 or 395-5400) by Friday, September 18th if you are interested.

Inauguration Ushers Needed

The Honors Program has been asked to provide ushers for the Inauguration Ceremony for President Yu on Friday, October 2, 1998. This is a rare opportunity not only to see but also to participate in a very special academic celebration, the culmination of two weeks of special events. Participating in this also gives special recognition to those students in the Honors Program. Only an hour or two of your time would be needed. **VOLUNTEER** by contacting the Honors Secretary at 395-2291 or Dr. Anderson at 395-5400.

Jobs for Honors Students

A number of offices and special programs on the Brockport campus have contacted us about employing Honors students. Some students in the program have already been hired by the Student Learning Center. Now there are new job opportunities (see the attached flier). Honor Students interested in a tutoring position, who are at least sophomores and above (30+ credits hours completed), should contact Barbara LeSavoy, the EOP Academic coordinator (her office is just a few feet from the Honors Offices in Cooper Hall). In the future, additional job openings will be posted on the bulletin board outside C-12 Panopticon. Stop in and see us—it could make you rich (relatively speaking)!

Honors Program Offices & Schedule:

The Honors Program now has three Offices in Cooper Hall.

The Secretary for the Honors Program, Rita Burrell is in H-1 Cooper—by main entrance on the south side of the building. This office is open during normal business hours, and you can reach her at 395-2291 to leave a message, sign up for various activities, or answer many of your questions.

The Conference Room (mysteriously known as the **Honors Panopticon**) is Cooper C-12, located on the northwest side. This room is where much work and much talk gets done—so stop in and say “hi.” The Honors Panopticon will be open this semester on Mondays and Wednesdays from 8:30 to 3:00. **Dan Barchet**, the student assistant for the Honors Program, will be there from 12-3 MW, and sometimes on Thursday afternoons. **Rob LaRoque**, the Graduate Assistant for the program, will be in on an occasional basis Tuesday and Thursday mornings.

The Honors Director, Dr. Anderson, will be in his office in C-10 on Mondays and Wednesdays from 8:30-11:30 this semester. He gets lonely. Drop in or call him at 395-5400.

Frankenstein Film Festival

Halloween will soon be here, and this time seems the best for the Honors Program to sponsor the screening of a number of Frankenstein films on campus. Plans are still very flexible, but we would like to have the films open for attendance by other students. The mini-festival could be held on a number of nights, such as Thursday, Friday, Saturday Oct 29-31, or just one big bash on Saturday the 31st in the Union. What about a costume contest? Other Events? Any suggestions you might have, or offers of assistance, would be very much appreciated.
